Last week, the rain was falling so heavily. It was the beginning of the rainy season and was the first rain after long dry season. I found some leaks on the roof. I tried to find a ladder to climb up to it to fix it. It was Sunday at 2 p.m., I brought the ladder and set it up to the roof. Water from the leaks made the foot hold wet. For my safety, I asked my brother to hold the rear side rails of the ladder. And I started to step my feet on its steps, one by one. At that time, I was too confident and not careful. I thought I was strong enough to avoid slipping. When the ladder became wetter, I already felt the slippery surface. However, I did not pay attention to it and kept climbing. A tragedy came when my brother forgot to hold the rails. As soon as he turned away, I suddenly lost my balance. And only seconds afterward, I slipped from the ladder and fell to the floor. It happened so fast that I needed several minutes to realize what was really going on.

Then, my two elder brothers checked me out and asked if I was okay. They carried me to a more comfortable place. Later on, they gave me first aid. However, my condition was not fine after that, and I was brought to the nearest doctor to get proper medical treatment. It was my fault that I was not careful with the hazardous situation.

29. How did the writer feel in writing the text?

Prince Raden Putra and Dewi Limaran were husband and wife. They lived in a palace. Prince Raden Putra's father was the king of the kingdom.

<p>The Best Day By Taylor Swift</p>	
...	
I have an excellent father	And now I know why the all the trees change
His strength is making me stronger	in the fall
God smiles on my little brother	I know you were on my side
Inside and out he's better than I am	Even when I was wrong
I grew up in a pretty house	And I love you for giving me your eyes
And I had space to run and I	Staying back and watching me shine and
had the best days with you	
	I didn't know if you knew
There is a video I found	So I'm taking this chance to say
From back when I was three	That I had the best day with you today
You set up a paint set in the kitchen	
And you're talking to me	
It's the age of princesses and pirate ships	
And the seven dwarfs	
And Daddy's smart	
And you're the prettiest lady in the whole

<p>The Best Day By Taylor Swift</p>	
...	
I have an excellent father	And now I know why the all the trees change
His strength is making me stronger	in the fall
God smiles on my little brother	I know you were on my side
Inside and out he's better than I am	Even when I was wrong
I grew up in a pretty house	And I love you for giving me your eyes
And I had space to run and I	Staying back and watching me shine and
had the best days with you	
	I didn't know if you knew
There is a video I found	So I'm taking this chance to say
From back when I was three	That I had the best day with you today
You set up a paint set in the kitchen	
And you're talking to me	
It's the age of princesses and pirate ships	
And the seven dwarfs	
And Daddy's smart	
And you're the prettiest lady in the whole	
wide world
